Butter Buds® is 100% natural, made with real butter from Wisconsin. All the flavor components of butter have been captured producing or resulting in flavor and performance.

Through a patented process, the flavor of butter is released and spray dried into a concentrated powdered form. Two grams of Butter Buds is similar in flavor to three teaspoons of butter... and healthier! Additionally, packets of Butter Buds require no refrigeration, are easy to store and use, and deliver great natural butter flavor directly to food.

Butter Buds packets are a ideal nutritional choice. Per serving, they contain no fat or cholesterol and are low in calories.

Instructions

Simply tear open packet and sprinkle Butter Buds directly on hot, moist foods like: baked or mashed potatoes, rice, vegetables, noodles or fish. Add rich buttery flavor without the guilt.
