Cheddar Buds® natural cheese flavored sauce mix delivers ‘just add water’ convenience to your food service menu. Cheddar Buds is made with real Wisconsin cheese and is low in fat, calories and cholesterol.

Cheddar Buds is the ultimate in convenience. The granules require no refrigeration, mix up quickly and easily using only tap water... no need to boil. Cheddar Buds stands up well in prolonged warming situations and can be reheated without compromising product integrity.

Cheddar Buds tastes great. Use as a topping or dipping sauce or you can also use the powder as a flavoring agent in recipes. Not only does Cheddar Buds save on labor, storage and refrigeration costs, it actually costs less and tastes better than canned, frozen or made from scratch sauces.

**Mixing Instructions**

Simply mix one bag of Cheddar Buds with four quarts hot tap water and stir until smooth.
