

## Cream Buds & Milk Buds

### Cream and Milk Concentrates

Buttermilk Buds<sup>®</sup>, Cream Buds, Milk Buds, Sour Cream Buds Concentrate and Yogurt Buds are concentrated dairy ingredients produced from fresh, cultured sour cream and milk. Our Cream Buds and Milk Buds optimize flavor at low application levels to provide rich dairy flavor, fatty mouthfeel, flavor masking and significant ingredient cost-savings. Cream Buds and Milk Buds offer rich dairy flavor while improving the nutritional profile of a variety of applications.
